

**Court of Appeals, State of Michigan**

**ORDER**

**People of MI v Jerome Allen Shorkey**

Docket No. **353608**

LC No. **16-008647-01-FH**

---

Christopher M. Murray, Chief Judge, acting under MCR 7.203(F)(1), orders:

The delayed application for leave to appeal is **DISMISSED** for lack of jurisdiction because it was not filed within six months after entry of the September 26, 2018 judgment of sentence that defendant seeks to appeal. MCR 7.205(G)(3). Further, the exceptions provided by MCR 7.205(G)(4) are inapplicable.

However, it appears that the trial court has not yet entered an amended judgment of sentence with a proper award to defendant of credit for time served in accordance with this Court's November 12, 2019 order in Court of Appeals Docket Number 349948. Thus, the trial court should make the necessary determination of the proper credit for time served and enter an amended judgment of sentence in accordance with that order within a reasonable time. The Clerk's Office shall provide a copy of the November 12, 2019 order in Docket Number 349948 to the parties, the trial court, and the trial court judge with their copies of the present order.

The motion to waive fees is **GRANTED** for this case only.
